CLASSIC MODEL LONG SERVICE LIFE

Ride-on Road Sweeper

High Cleaning Efficiency

Spray Dust Suppression
Effectively avoid secondary pollution

MN-E800W

MEDIUM SIZED ROAD
SWEEPER

Classic model with guaranteed quality. Large filter with electric shaker can efficiently clean dust. This model features low noise, easy operation, low consumption and high cleaning efficiency.

Advantage:

- DC brushless middle rear-drive system for high efficiency and strong climbing ability.
- Four side brushes and main brush can move lower and up automatically when working.
- Four high-pressure spray dust suppression nozzles for preventing dust floating when sweeping.
- Rotating powerful filter shaker system for efficient dust filtering and filter maintenance.
- Fitted standard with 6 lead-acid battery for longer working hours.
- Optional LiFePO4 Battery for choice
- High-quality electric control system with overcurrent and undervoltage protection for enhanced safety. Downhill overspeed prevention and slope anti-slip functions for driving system.

Specifications :

No.	Item	Unit	Specs
1	Dimensions (LxWxH)	mm	2025x1150x1950(Without side brush) 2125x1910x1950(With side brush)
2	Sweeping width	mm	≥1900
3	Cleaning efficiency	m ² /h	>12000
4	Climbing ability	%	>20
5	Main brush	mm	790
6	Side brush	mm	500

7	Battery (Lithium)	/	48V/150Ah
